About Your Visit

You have been referred to a Periodontist, Dr. Kim, by your dental care professional. A periodontist is a dentist that specializes in the treatment of periodontal (gum) diseases. After performing a thorough examination of your gums, Dr. Kim will discuss treatment options that can range from deep cleaning of your teeth and gums (scaling/root planing), to surgical removal of infection and/or treatments to restore soft tissue and bone.

Our office does not accept insurance payments but will submit your claims or estimates to your insurance on your behalf, provided this is allowed by your dental insurance provider. This option allows you to be reimbursed as quickly as possible. Please provide our office with your insurance information if you would like an estimate to be sent to them for your first visit with us.

Currently, Dr. Kim works at Scident on Wednesdays only.

Parking: Underground parking is available and can be accessed from Eastern Avenue. At the end of the ramp that leads to the underground parking, they are spots marked 8 – 14. The cost is \$4.00 per hour and the machine only accepts \$1.00 and \$2.00 coins.

If you have any questions or concerns prior to your appointment, please contact us by calling (604) 985-7032 or emailing info@scident.ca.

We look forward to meeting you.

*Appointments cancelled less than 48 (business) hours in advance are subject to a cancellation fee.
